EXHIBITS

Admission: Retail \$15 • Groups \$12

The Chicago Architecture Center is the city's newest must-see cultural destination! Come to the CAC to discover the stories and secrets behind Chicago's architectural wonders—through tours, programs and exciting, interactive exhibits, including:

CHICAGO GALLERY

Learn how Chicago became the "city of architecture," explore the stories of five evolving neighborhoods, see Chicago's residential architecture, discover architects who shaped the city and view new up-and-coming projects in this unique gallery.

CHICAGO MODEL EXPERIENCE

The Chicago City Model Experience is the star attraction in the Chicago Gallery, featuring more than 4,000 buildings and interactive elements that tell amazing stories of the city. A film and light show illuminates the Model to show Chicago's early growth and rebirth after the Great Chicago Fire.

BUILDING TALL

Located on the second floor of the CAC, in the stunning Drake Family Skyscraper Gallery, Building Tall is filled with supersized scale models of famous skyscrapers from Chicago and around the world, including a nearly 40-foot-tall model of Saudi Arabia's Jeddah Tower, soon to be the tallest building in the world.
